January, 2025

Dear Republican Friends:

Oh what a night! I'm not referring to the Frankie Valli and The Four Seasons' song about December, 1963, but rather November 5, 2024.

Truly, it was an historic celebration that evening at the Grand Wayne Center. There, we came together as friends and colleagues to celebrate the successful mission of fixing history and making America great again. The results were undeniable as to supporting the Republican agenda. This was evidenced by Donald Trump being elected President, Jim Banks United States Senator, Marlin Stutzman United States Congressman, Mike Braun Governor, Todd Rokita Attorney General and EVERY Republican candidate on the Allen County ballot cruising to victory.

Every day, National, State and Allen County Republicans put our values in the spotlight. Even when we face daunting challenges, we stand up to them and support our taxpayers, businesses, families and our community's values, without compromise.

Our successes in Allen County are because of YOU. As a result of financial contributions from our growing base of supporters, Allen County Republicans continue to hold every countywide elected office. We elected every Republican running for Indiana State Senate and State Representative, as well as Allen County Commissioner, County Council, Treasurer, Surveyor, Coroner and Allen Circuit Court Judge. All of these individuals are most capable of leading by example and proving what it means to lead with purpose.

Our success on Election Night shows that your financial support truly makes a difference in the strength of our Allen County GOP. You helped boost Republican candidates across the finish line by helping provide us with paid radio, TV, newspaper, direct mail and digital advertising, candidate photos, palm cards, and precinct official packets and walk lists. Your financial help paid for administrative and operational costs of maintaining the State's foremost Republican headquarters, as well as our website, email communications and helping underwrite our annual Lincoln Day and Reagan Bean Dinner fundraisers.

NO other county organization can boast of the fact that within six months of each other, both the Speaker of the House of Representatives (Mike Johnson) and Senate Majority Leader (John Thune), would both think so much of the importance of the Allen County GOP, that each of them would take time out of their jam-packed schedules to be our keynote speaker at our

two annual dinners, taking the time to personally say thank you to all of you for everything you do to make the Allen County GOP Indiana's premier county political organization.

Each and every one of you are truly the secret to our success. Nothing is possible without you. Thus, in order to keep a good thing going, please consider making a financial contribution today to help us deliver visionary leadership for the future.

Truly, we are on a roll and, with the 2026 mid-term elections right around the corner, we cannot lose the momentum that we gained on November 5, 2024. That momentum is based on having a financially strong organization, and only YOU can help us keep it that way.

Thank you so much for your continued support of the Allen County Republican Party. We could not do it without you!

Sincerely,

Steven R. Shine, Chairman
